FOREWORD

As we look forward to graduation with mixed emotions, we realize that our years at Helena High School have taught us responsibility, leadership and citizenship.

In this year's HORNET, we have tried to portray the things that have influenced the spiritual, intellectual, and social growth of each individual.

Although the seniors are the editors, we would like to thank every one who has helped us in presenting this edition of THE HORNET, especially Miss Ruth Lunsford, its sponsor.

MATER

I'm a Tarheel born,
I'm a Tarheel bred,
And when I die,
I'll be a Tarheel dead.
So, it's Rah! Rah! Helena, Helena,
Rah! Rah! Helena, Helena,
Rah! Rah! Helena,
Rah! Rah! Rah!

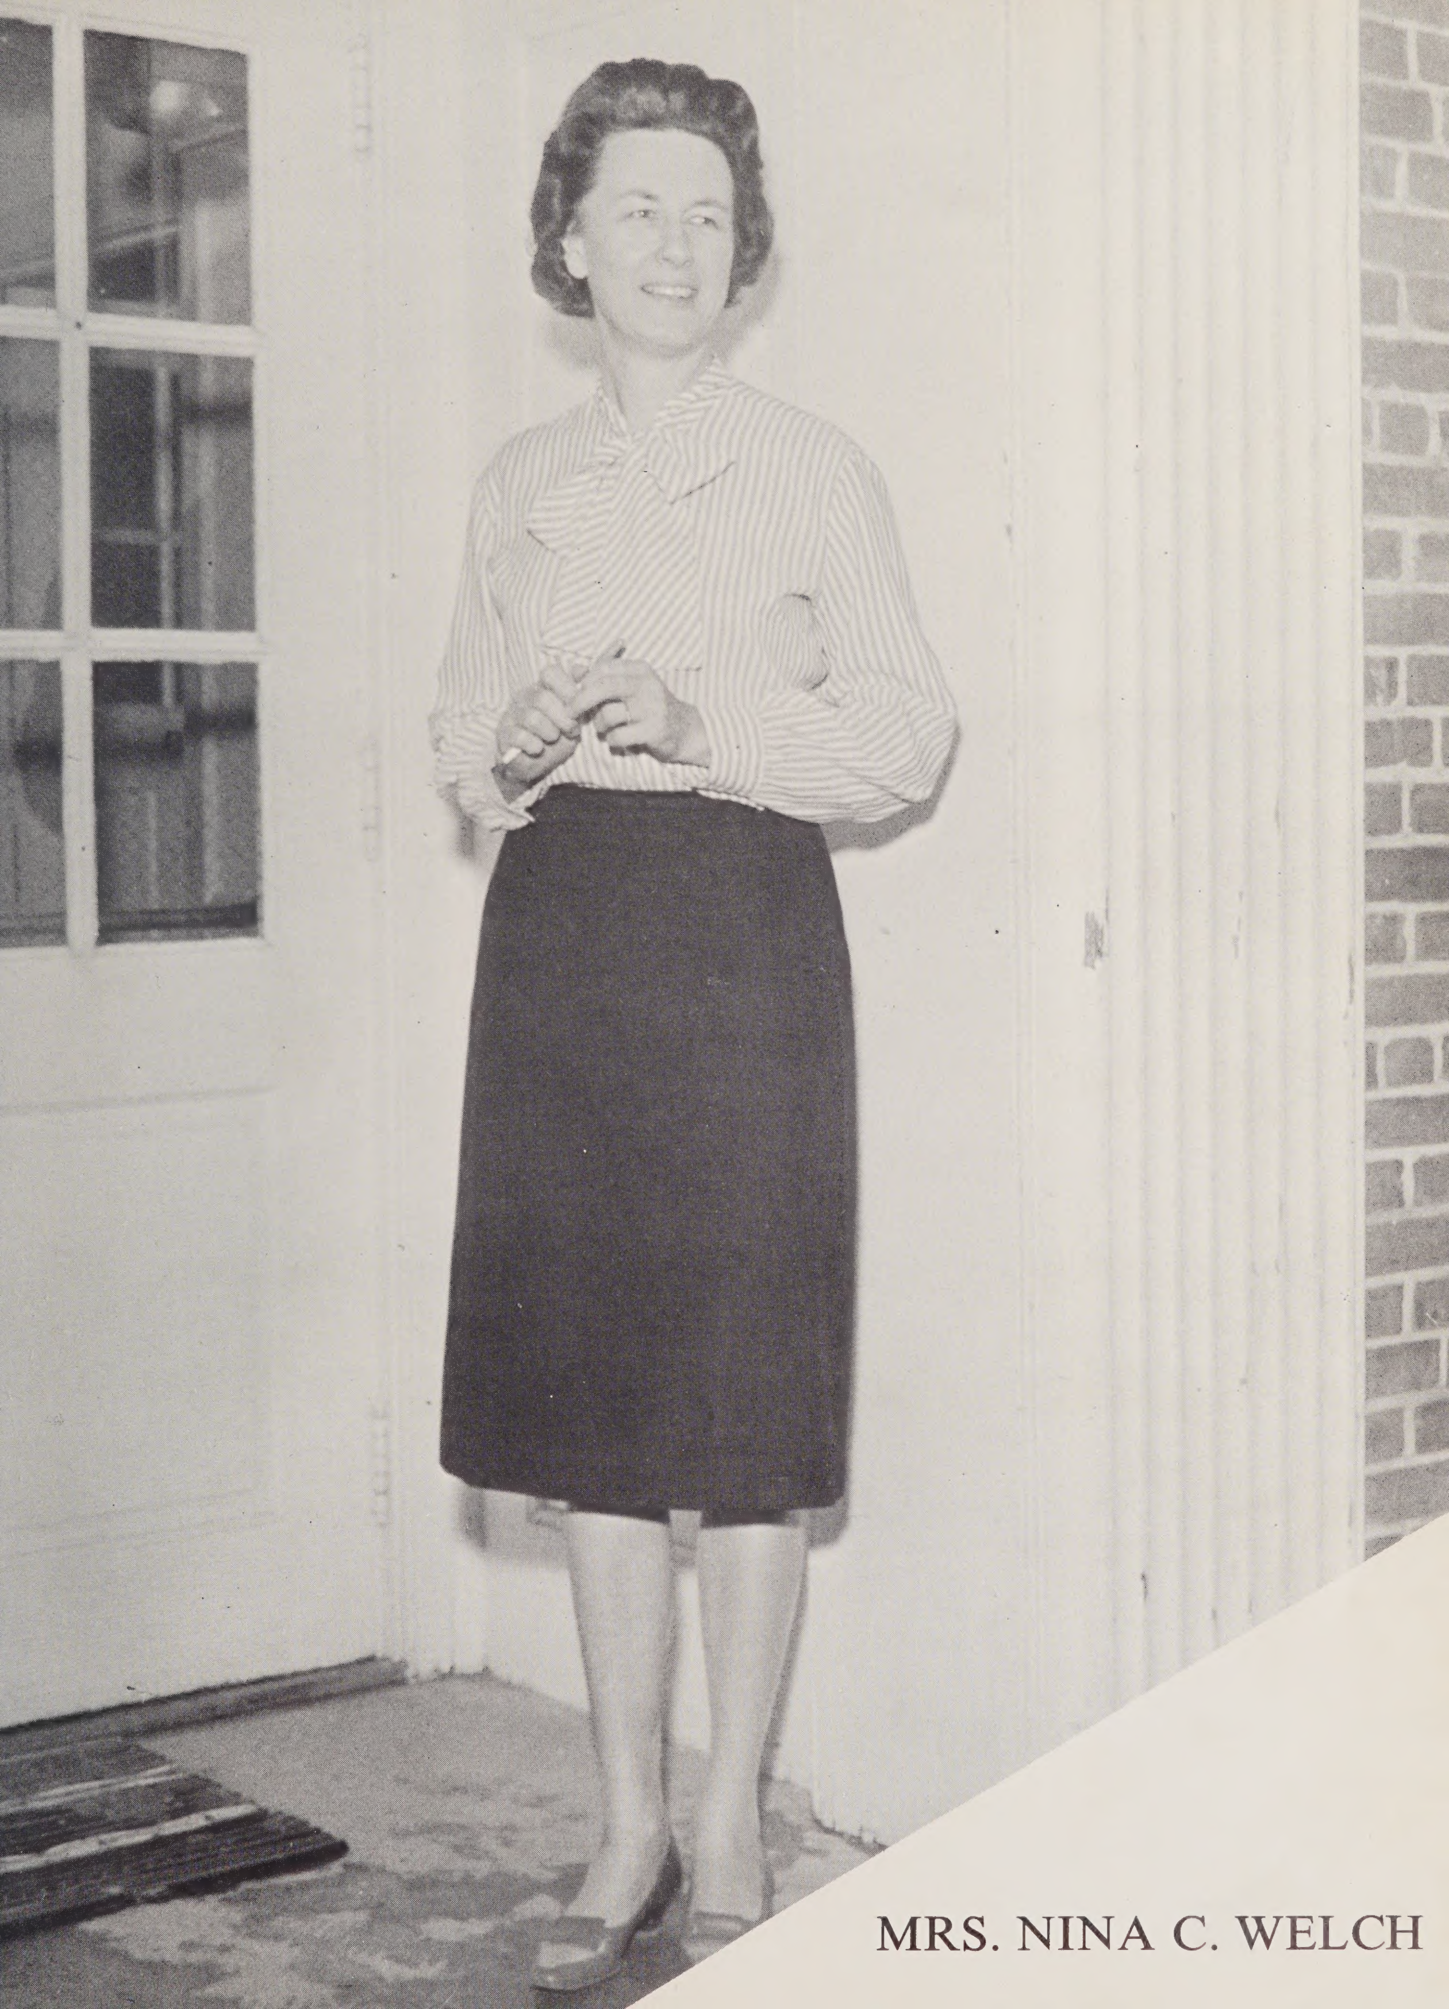
DEDICATION

A native of North Carolina, Mrs. Nina Cook Welch is truly an asset to the faculty of Helena High School. A teacher here for twelve years in the Mathematics Department, Mrs. Welch holds a B. A. degree from East Carolina. She studied this past summer at Duke University to be better able to teach us.

Mrs. Welch has been a help to us. She has tried to assist us with MOST of the problems we have brought to her, both personal and mathematical; the others she has had enough wisdom to let us work out for ourselves.

Besides being an outstanding teacher and a wonderful person, Mrs. Welch is also active in her community and church. She has all the wonderful characteristics bestowed upon the magical people that we call Teachers.

We, the graduating class of 1967, are proud to dedicate this twenty-first edition of THE HORNET to you, Mrs. Welch.



MRS. NINA C. WELCH

Mrs. Betsy M. Crews

To Betsy, we the Seniors would like to say thanks for the times you have helped us. You always have a friendly welcome for us when we come in search of help.

We couldn't have made it without you, Betsy!

ADMINISTRATION

MR. G. N. TITUS—PRINCIPAL

Seniors: There are many standards for judging a successful life and just as many formulas for achieving it. I'm sure none of them contain the magic of instant achievement. Success for one might be failure for another. Each of us has different abilities, interests, and capacities upon which to build that successful life. We are obligated to ourselves to achieve to our very utmost.

Thomas Caryle said, "The great law of culture is: Let each become all that he was created capable of being." Follow this advice and you need never be concerned about achieving success.

We wish you all a most useful and satisfying life.

1. To Kathy Gentry my 4-H achievements, with the hopes that she will keep adding to them.
2. My bus, good old #25, to anyone who can stand the shakes and rattles.
3. To Richard Cates my ability to get along with my teachers.

I, Kenneth Wolfe, bequeath to Gary Gravitte my position at quarterback.

I, Obediah Yancey will to the following:

1. To Rita Barr my ability to go when I please.
2. To Bonnie Dickey my ability to keep my mouth shut and act normal.

Signed, witnessed, and sealed this 21 day of November, 1966.

Obediah Yancey

CLASS PROPHECY

As I was sitting at my desk playing solitaire, I noticed something strange about each card as I turned them over. On each card a face of one of my former classmates from Helena High appeared.

On the first card I saw SANDY ALLEN enjoying a happy life as an astronaut. He seems to love the scenery out in space.

Following Sandy, I recognized MARIE BARR sewing away trying to make a dress for the baby, but Harold Jr. keeps getting in her way.

Gun fire came from the next card as I saw KATHLEEN BLALOCK. She is dressed in her army combat uniform fighting beside her man in Viet Nam.

Next there was KAY CHAMBERS with her fourth husband. She never could make up her mind (just like Elizabeth Taylor!).

I wasn't surprised to see that MAXIE BLALOCK has opened his own side show with the O. C. Buck Shows. He never misses a performance either!

That fellow who is trying to dribble a basketball with his beard is RICKY CHAMBERS, the star of the Boston Celtics.

The next card showed that BRENT CLAYTON is now a Senator who may be running for the Presidency before long.

After Brent, I saw ELAINE DEAN enjoying her position as a top actress in Dean's Theater. She's known for her dazzling smile.

Then along came a roaring card. It was TONY CLAYTON driving his racer. He has a family of six on the sidelines.

The following card presented a girl smeared with paint. It must be GALE DAVIS for she is now employed at Painter's Paint Shop.

That next fellow dressed in fur is RAY DEAN who is a welfare agent in Alaska. He pockets most of the cash though!

Following Ray, I saw DONNIE EAKES who is a policeman in Harlem, New York. Things surely have been quiet lately — maybe it's because of the machine gun he carries.

A dazzling card showed KATHRYN GRAY modeling for Saks in New York. She has married the store manager who resembles Jim Hutton.

The man being chased by five beautiful girls on the next card was COLEMAN WHITFIELD. They are his daughters. They want some money, but he gave it all to his wife.

One of the cards was jumping. It revealed a girl playing basketball like Chamberlain. It's DELORES GREGORY. She plays for the Marines Misplaced Basketball Team directed by Coach White!

After that great display, the next card brought VICKIE HILL into focus. She has her hands full in the hospital keeping her "Clayton" crowd in good shape. They have a tendency to fight.

A quiet atmosphere was brought on by another card. It was BILLIE FAYE MOIZE who finally married that Marine. She is now enjoying a happy life, although the kids keep her pretty busy.

Cheers could be heard from the following card for it's the great football player, LARRY OAKLEY. He even has his picture on the Wheaties package. How lucky can a guy get?

Then along came a card which showed TRUDY MOONEY teaching Driver's Education while her husband is playing major league baseball for the New York Yankees.

A shiny card showed that PEGGY OAKLEY is spending a great deal of her time in the divorce courts. She still enjoys playing the field.

CLASS PROPHECY

Congratulations were heard from the following card because MARGARET NOELL just won the title of "The Best Lady Driver in America". She drove her husband's Chevrolet.

Following Margaret, I learned that MATILDA MORTON is babysitting for her twin boys. She's still waiting for Earl to get out of the Army.

VICKIE PALMER can be seen as an employee of a fancy night club in Hawaii, which is owned by DAVID ROGERS. No one under eighteen is allowed.

One card disclosed that TOMMY NOELL is a salesman for a bikini company (just his type of work).

The following card showed ANELIA PEED playing secretary in Washington. She seems to love those Senators. Why not? They have money!

The revenuers finally got DENNIS OAKLEY for the next card showed him helping TOMMY OAKLEY with the ditches at the prison camp. Tommy got caught for trying to move a light pole with his MIGHTY Ford!

The next card issued forth some yelling by a coach. That coach proved to be none other than JEAN OAKLEY. She is coaching the Mt. Tirzah Reds, the team she formerly played with.

After Jean, I saw DENNIS RUSSELL who went far with his height. He works as a lookout in a airplane tower.

I saw LINDA TERRY working on a Navy base in Virginia. I wonder if she has learned to "cuss" like a sailor?

The image of ARTHUR TILLETT appeared next. He is an unknown thus far. It seems he is working on a special kind of Honda though.

I saw JOYCE VAUGHAN as a famous watermelon seed spitter. Isn't that great?! She plans to move on to weight lifting.

Tear drops fell from the next card. Why, it was NORWOOD WALKER. He's overjoyed because he has received the title of "Mr. America" through his efforts on his chicken ranch in Texas.

Coming up next was a man getting scolded by his wife. It was READE GRAY. He stayed out too late a couple of nights.

The squealing of wheels from the next card disclosed that MELVIN WALTERS is hauling white lightn' on his old Chevy in Orange County.

After Melvin, I saw HANK WELCH as a math professor at Harvard. He seems very happy in that position.

It seems that KENNETH WOLFE is dividing his time between major league baseball and Johnny Unitas' former position with the Colts.

The smell of bacon cooking came from another card. The cook was OBEDIAH YANCEY. His wife is a lady wrestler.

Following Obediah, I found that HARRIETTE DICKERSON is continuing her nursing career while Roy is finishing his Army duty.

The next card revealed that MARGARET HUMPHRIES is still cruising around in a black Ford. She's also a regular on the Roger Miller Show.

I then noticed a card which had musical notes on it. It showed that BRENDA LONG has a job as a dancer, and she can often be seen square dancing with a short fellow.

I thought I heard a yodel! Sure enough, a card covered with ice showed RANDY HAWKINS as the greatest of the Alp climbers.

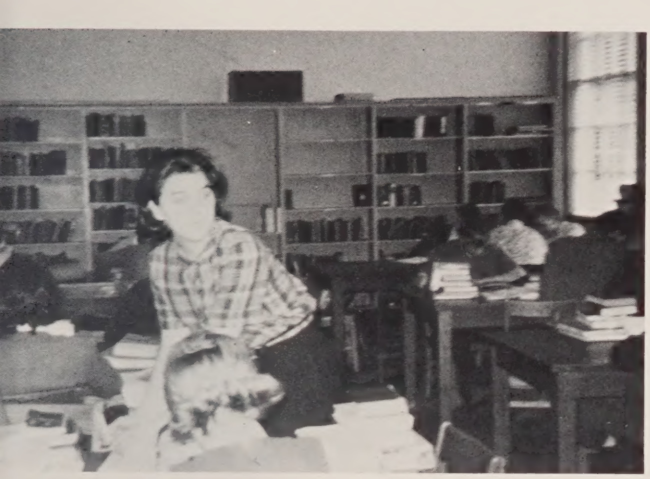
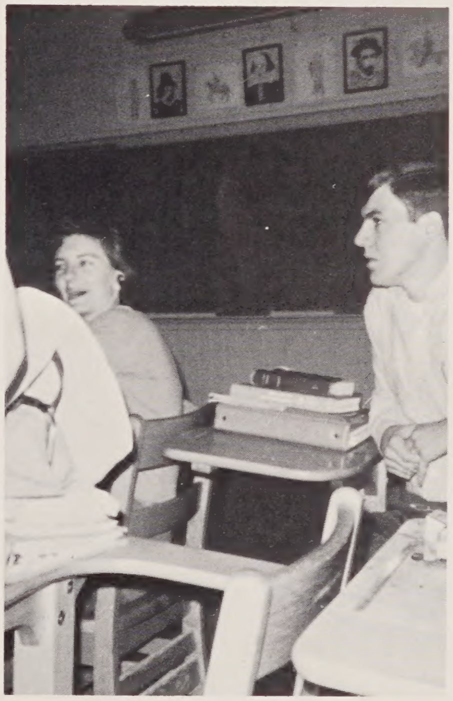
SENIORS AT PLAY



Did you say Elvis in Durham?

Here we come, walking down the street.

I had rather fight than switch!



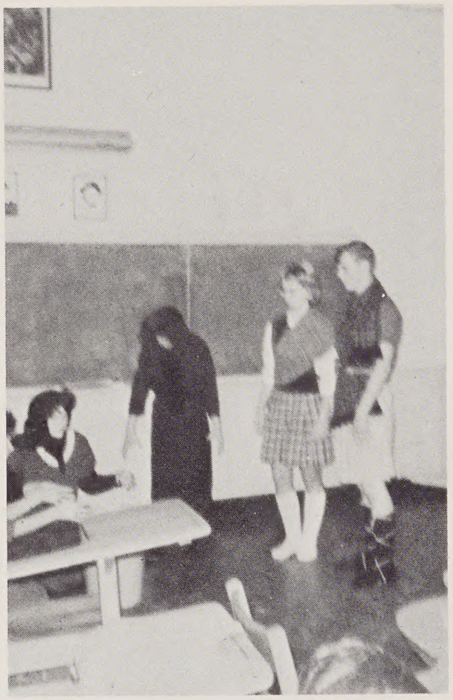
Well if you ask me. . .

Hold on to what you've got.

And YOU didn't think I could find it.

If you don't get it right this time. . .

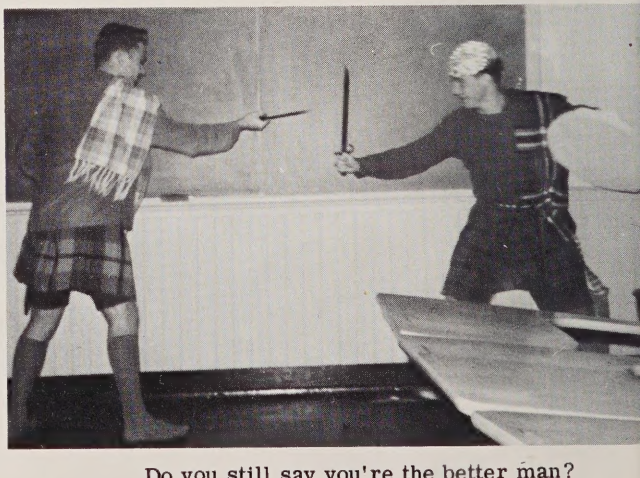
Mrs. Foushee! What are you teaching your scholars?



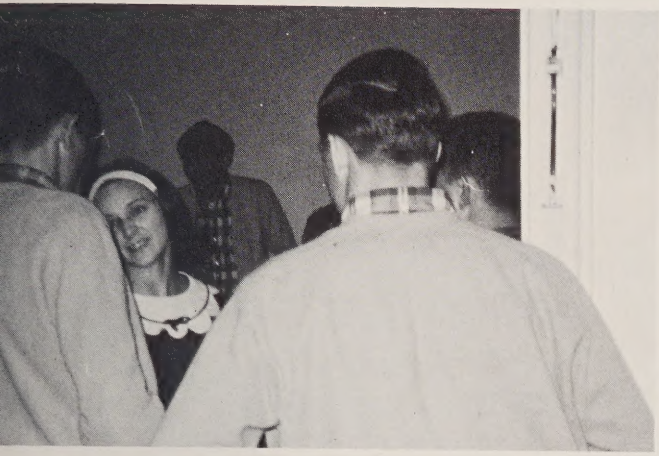
Lunchroom staff hard at work.

Mama told me about boys like you!

Run! Run! Look and see!



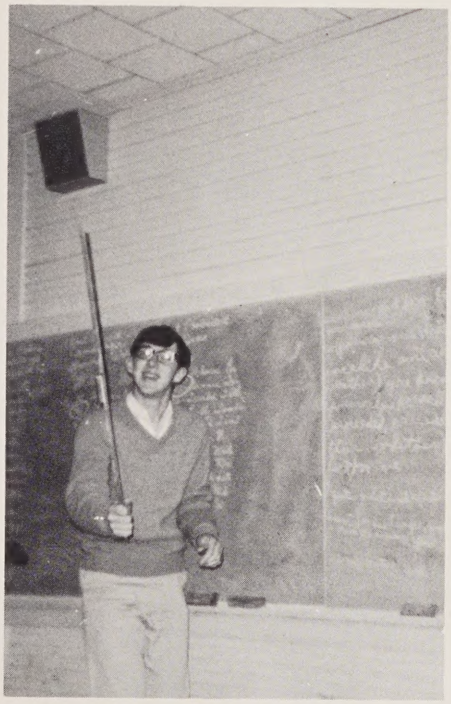
Do you still say you're the better man?



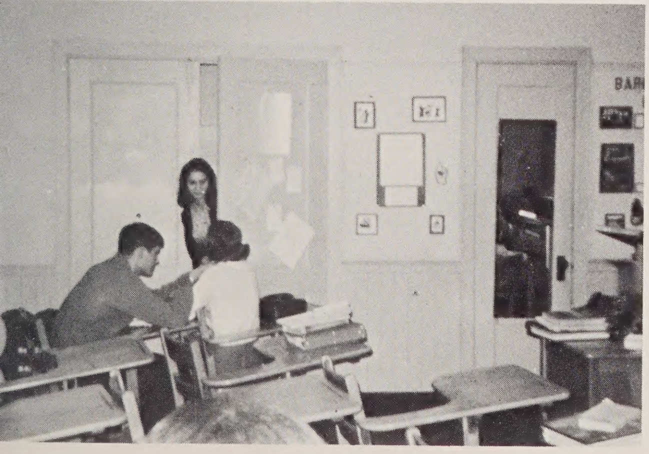
I can't this weekend. How about next weekend?

What kind of deal is this?

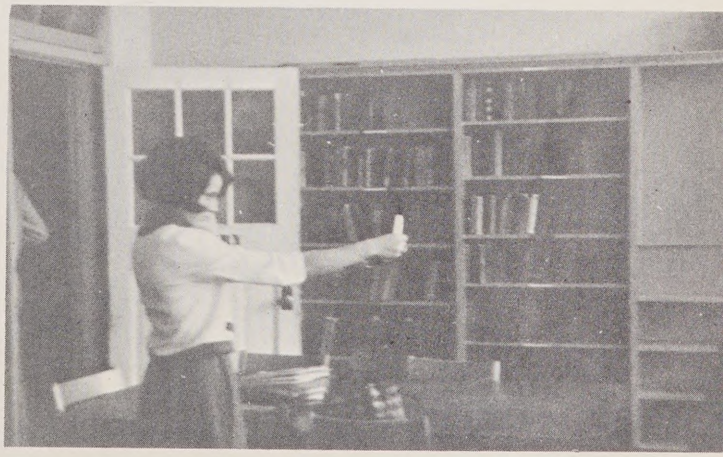
What do you mean I'm
going the wrong way?



I've told you once and
I've told you twice.



Come on in Y'all.



Mirror, mirror in my hand, who's the fairest in the land?

THE HORNET CLUB

One important school-related organization that is often overlooked is the Hornet Club. It greatly aids our athletic program each year.

OFFICERS

President - Whitey Clayton

Vice-President - Waddell Breeze

Secretary - Jack Woody

Treasurer - Fletcher Barton

1966-1967 Accomplishments

1. Installed new pole on athletic field
2. Installed new bleachers on athletic field
3. Bought scoreboard for football field
4. Put up fence around part of athletic field
5. Put up crows' nest for scores and photographer at football games.

Note: The new pole was put up in place of the one the woodpeckers ruined.

The County Board helped pay part of the expense of the bleachers and fence.

We, the seniors, would like to express our appreciation to the members of the Hornet Club who have enabled us to have high school athletics here at Helena.
